This is your opportunity to exchange balls-  
2010 U-9's exchange size 3 for 4's  
2010 U-13's exchange size 4 for 5's

Note: Last years U-8's and 12's must bring their 3's and 4's repectively, in order to  
exchange for the next appropriate ball. Do not forget!

New U-9 to U-19 coaches: Please make every attempt to contact the former coach of the team you are inheriting to get  
the assigned team gear. Nothing additional will be distributed until that equipment is returned.

The equipment will only be given to authorized coaches who have registered online  
as a volunteer coach or assistant coach for the 2010 season.
