- Coaching Awards:** State Cup Champions for GU14 Select
- Other Experience:** 2014 – Present LHSC Board Member & Club Competition Chairman
- Coaching Philosophy:** Firstly, I want the players to enjoy the game of soccer. Secondly, I want them to progress in their development as, not just technical, but also intelligent soccer players. To this end, we train our players using drills and techniques developed by the top Coaches and Academies in the world. I strive to develop players/teams that play quality soccer. To further my own development, I am continually reading new texts on the subject of soccer player development and game management.
