New Coaches please make every attempt to contact the former coach of the team you are inheriting to get the assigned team gear. Nothing additional will be distributed until that equipment is returned. The equipment will only be given to authorized coaches who have registered online as a volunteer coach or assistant coach for the 2017 season.

Equipment for U-6 & U-7 (Micro Clinic) Coaches will be distributed by the Micro Clinic Coordinator at the coach clinic orientation in September.

\*\*\*Please keep these dates on your calendar. This time has been set aside for "mass" equipment distribution to over 70 teams. Let's keep the individual requests to a minimum.
