- Soccer Background:** Played soccer when I was a kid (probably rec), before switching to water polo in high school.
- Coaching Background:** Assistant coach LHSC B08, 2019 and 2021 seasons.
- Coaching Qualifications:** US Soccer Grassroots 11v11 Certification – pending June 2022
Assisted leading the LHSC B08 team to place as Founder’s Cup finalists for the 2019 and 2021 seasons. As a father of two boys (B08, B10), became re-interested in the sport as my kids became involved with it. I’m a self-starter and voracious learner who throws myself into things. Soccer became one of those things. My father was a high school basketball coach for 40 years. I might have inherited a little bit of that.
- Achievements/Awards:** See career not related to soccer: [\(99+\) Paul Bronowski | LinkedIn](#)
- Other Experience:**
- Ski Instructor, Summit at Snoqualmie Snow Sports, 2021/2022 season working with 5–6-year-old kids new to skiing.
 - Boy Scouts of America local Troop 606 merit badge counsellor and general volunteer, time permitting.
 - Boy Scouts of America local Pack 665 Den Leader and general volunteer, when my boys were Cub Scouts.
- Coaching Philosophy:** Positive. Enthusiastic. Driven. High-energy. Goal-oriented. Develop every player. Team and self. Build character, leadership, and empathy for others. Collaborative. Community. Improve through introspection/analysis. Create great life moments through sport and elevate the game. Be of service.
