Soccer Background:

I grew up in France, where it's common to play soccer at some recreational level, from recess to inter-company leagues at work. I still play a lot at that level (GSSL, Arena).

I've been coaching with Lake Hills for ~12 years now (many age groups), and coordinated the Rec coaches at some point.

I'm now coordinating Referees for EYSA, our clubs' association, training & organizing teenagers to referee all the Rec youth games on the Eastside.

Coaching Background:

2009-2010 Lake Hills Sharks (Asst Coach), Rec Girls U11, U12

2011-2016 Lake Hills Destroyers (Asst Coach), Rec Boys U11 – U16
(incl. 1 year in NPSL, & several Rec Cup Districts Finals)

2017-2018 Lake Hills Panthers (Head Coach), Rec Boys U11, 12

2019 Lake Hills Internationals (Head Coach), Rec Boys U09

2021 Lake Hills Internationals (Head Coach), Rec Boys U13

Coaching Qualifications: "E" National License USSF (2017)
Grassroots 7v7 (2022 pending)

Achievements/Awards: LHSC Recreational Coach of the Year (2017)
WA Recreational Cup – State Semi-finals (2016, BU16 Destroyers)

Other Experience: Referees Coordinator for EYSA. Sign-up your teenagers as referees!
Another great growth/development opportunity, growing understanding of the game, composure & leadership skills, and a 1st paycheck. :)
(Day Job: Engineering Manager at Starbucks, after 20 years at Microsoft)

Coaching Philosophy:

I believe Soccer is a great showcase for how teamwork and common purpose can allow us to greatly surpass ourselves. Soccer combines athletic, technical and team skills, and growing as good athletes & intelligent team players has lifelong value, well beyond soccer. As are the memories & bonds from hard-fought campaigns with your best friends.
