Soccer Background:

I grew up playing club soccer in Tucson, Arizona and played through high school. I've been both an MLS Sounders and UW Huskies Soccer fan and get the family out to catch a match live as often as possible.

Coaching Background:

I started coaching for Lake Hills Soccer Club in 2013. I have coached both boys and girls rec level teams, moving to Select in 2024.

Achievements/Awards:

2023 Lake Hills Coach of the Year

Other Experience:

With a background as an avid trail runner and marathoner, including multiple ultra-marathons and the 2011 Boston Marathon, I've learned firsthand about the mental and physical resilience required to finish strong. I find great satisfaction in connecting these experiences to the specific finishing skills essential in the final stages of a soccer match.

Coaching Philosophy:

Inspired by my favorite soccer team, FC Barcelona, and their values of Respect, Effort, Ambition, Teamwork, and Humility, my aim is to ignite a passion for the game while empowering each player's individual growth. Together, we cultivate teamwork, discover our potential, and strive for continuous improvement, both on and off the field. Let's make every moment count. Go Lake Hills!
